November 5th, 2018 - Emphasizing both religion's prominence in the contemporary public sphere and its potential contributions to critical thought, Habermas's engagement with religion has been controversial and exciting, putting much of his own work in fresh perspective and engaging key themes in philosophy, politics, and social theory.

Jürgen Habermas Wikipedia

November 16th, 2018 - Habermas believes that even for self-identified liberal thinkers, to exclude religious voices from the public square is highly illiberal. 56 Though in the first period of his career he began as a skeptic of any social usefulness of religion, he now believes there is a social role and utilitarian moral strength in religion, and notably that there is a necessity of Judeo-Christian ethics in culture.
